Agape proposals.

I prodotti Agape compongono un grande progetto per rendere più affascinante, originale e funzionale l'ambiente bagno, in sintonia con ogni scenario architettonico, stile di vita, spazio e budget a disposizione.

Non è sempre facile orientarsi fra innumerevoli possibilità offerte dalla gamma. Per questo abbiamo creato un catalogo che presenta alcune combinazioni significative che hanno come protagonisti le ultime novità introdotte nel vasto catalogo Agape.

Ogni proposta è corredata da:
- un'assonometria dell'ambiente;
- un preventivo di costo;

Proposte complete, per creare soluzioni ed emozioni ogni volta diverse.

Agape has devised a comprehensive project to enhance the appeal, originality and functions of the bathroom. It can be adapted to suit any architecture, lifestyle, space or budget.

It is not always easy to navigate the countless possibilities offered by the Agape range. To overcome this we have realised a catalogue featuring some product combinations, focused on the last novelties recently introduced in the Agape catalogue.

Each proposal comes complete with:
- an axonometry of the ambient;
- a cost estimate;

Complete proposals that will enable you to create new ideas and emotions.
