

A scenic landscape photograph showing a wide expanse of blue water under a clear sky. In the distance, a long, low island or headland is visible. The foreground is filled with coastal vegetation, including green grass and several dark, scrubby bushes. The text 'Innate' is overlaid in a white, handwritten-style font in the upper center of the image.

Innate

Forging a contemporary Australian aesthetic

Australia is a paradox

A vast, inland desert fringed by paradise. This land and its people are connected, imbued with its colour, its textures and its sounds.

We exist between two great forces: the elements that would have us vanish and the abundance of life in our seas, our skies and our earth.

We are that great southern land.

The Innate textile collection embraces that paradox, forging a contemporary Australian Aesthetic.

A scenic photograph of a coastal building with a corrugated metal roof and a wooden porch. A patterned towel hangs on the porch, and the ocean is visible in the background. The text "Ilford Collection Bath Towels" is overlaid on the image.

A photograph of an outdoor seating area against a rustic wooden wall. The wall is made of horizontal wooden planks with visible knots and grain. A large, dark brown metal bell hangs from the top right corner of the wall, with a rope and tassels hanging down. On the left, a blue body of water and distant mountains are visible under a clear sky. In the foreground, a concrete bench is adorned with several pillows and a blanket. The pillows include a white one with a subtle pattern, a dark brown one with a bold geometric pattern, and a smaller one with a floral design. A dark brown and white patterned blanket is draped over the bench. A dark, textured cylindrical object lies on the ground in front of the bench. The overall scene is bright and sunny, with shadows cast across the wall and ground.
