Pleasure of Comfortable Living

Poltrona Frau's 2023 Pleasures Collection traces a new creative path in the name of pleasure: the pleasure of being surrounded by objects that tell stories, carry emotions, and elevate the contemporary living experience. New releases as well as line extensions, all marked by an unmistakable minimalist and refined style, contribute to shaping new ways of living in which the human experience takes center stage. The pleasure of inhabiting spaces and tailoring them to suit one's own aesthetic vocations finds expression in a series of furnishings and accessories with Poltrona Frau's unmistakable minimalist and timeless elegance.

The Infinitamente sculptural table represents the ongoing artistic research on marble begun by Roberto Lazzeroni with last year's highly successful "Infinitosm" table. Offered in a limited edition, the Infinitamente table is made entirely of marble (Bianco Levigiani for the top, Nero Marquina for the base), and showcases complex and careful workmanship. Infinitamente is available in two sizes, a more compact one with an oval top and single base, or a larger one with a staggered double oval top and double base. The inherent properties of marble mean that each piece has a unique visual appearance in terms of brightness, veins, and shades.

Poltrona Frau reworks some of its icons in the pursuit of comfort and functionality, offering range expansions and restyles. The Montera and Montera Mas seats, designed by Roberto Lazzeroni, are enriched with new versions: a stool with metal legs for Montera; and new stools with metal or wooden legs or a column base for the latest version of Montera Mas. The upholstered seat can be either in leather or removable fabric.

Jean-Marie Massaud's Downtown Conference home-office chair is refreshed with a new five-spoke base with wheels.

Archibald, the iconic armchair designed by Jean-Marie Massaud that has entered the collective memory thanks to its signature wavy upholstery and folded armrests, features a range extension with a new two-seater sofa, a new removable fabric cover, and new titanium painted finish for the base and legs.

The Bob collection of coffee tables designed by Jean-Marie Massaud is extended with two new models and a new finish: a new version with square top, available in various sizes; with integrated drawer, ideal as a bedside table; with top in Marquina Black Marble.

The Fidelio storage cabinet by Roberto Lazzeroni, a roomy storage system with a prominent graphic style, launches in a new compact edition with a length of 180 cm. Unchanged remain the minimalist design and sophisticated finishes, resulting in a versatile collection that can be easily matched with all other Poltrona Frau pieces of furniture.

Poltrona Frau's lighting collections Holly, Fede, and Dido by Jean-Marie Massaud are broadened with new shapes and lampshade hues. The lamps, which feature an elegant blown glass workmanship, are now even more contemporary thanks to new fabric lampshades in elegant pearl, stone, and dark blue/gray tints.

Poltrona Frau's ability to create scenic environments with timeless appeal also shows in four new accessory collections.

Norwegian designer Kristine Five Malvaer brings pop and contemporary twists in the new Ikiperu collection, named after the ancient Etruscan divinity of water and fertility Cupra, an archetype of feminine shapes and abundance. The collection consists of a vase, a bowl, and a small pot with lid, all made in Umbrian ceramic with a pronounced graphic appearance. Visual and tactile contrasts are created by the different color bands and textures of the glazed and unglazed areas. Ikiperu also features a series of cushions that echoes the geometric shapes of the ceramics and enhances the Pelle Frau Velvety upholstery with a double color patchwork.

The art of leather crafting is also the focus of the new collections Fascination, Trusty, and Weavers Home Fragrances.

Fascination, created by Poltrona Frau Style & Design Centre, is the set of leather-covered jewelry and watch boxes with a minimalist and refined aesthetic, available in two shapes, square and rectangular.

The Weavers Home Fragrances capsule is a sophisticated selection of home fragrances, also by Simona Cremascoli. Available as a decorative candle and as a diffuser with sticks, the fragrance is encased in a leather-covered container with Motif Weavers Sage and Cinnamon geometric pattern combinations.

Lastly, Trusty is the line of small object holders designed by Poltrona Frau Style & Design Centre in three different sizes, stackable and with distinct nuances, in several color configurations.

Poltrona Frau presenta la 2023 Pleasures Collection, che raccoglie le novità di prodotto nel segno del piacere: il piacere di circondarsi di oggetti che raccontano storie, trasmettono emozioni ed elevano l'esperienza del vivere contemporaneo. Novità di prodotto e ampliamenti di gamma, tutti contraddistinti da un inconfondibile stile essenziale e raffinato, concorrono a modellare nuovi stili abitativi dove l'esperienza umana diventa protagonista. Il piacere di abitare gli spazi, farli propri e personalizzarli secondo le proprie vocazioni estetiche trova espressione in una serie di arredi e complementi caratterizzati dall'inconfondibile eleganza essenziale e senza tempo di Poltrona Frau.

Il tavolo-scultura **Infinitamente** rappresenta la continuazione dello studio artistico sul marmo iniziata da **Roberto Lazzeroni** con il tavolo di grande successo dello scorso anno "Infinito ∞". Proposto in edizione limitata, il tavolo **Infinitamente** è interamente realizzato in marmo (Bianco Levigliani per il top, Nero Marquinia per i basamenti), in una esaltazione della forma che si concretizza nella complessa e accurata lavorazione dei blocchi di marmo. **Infinitamente** è disponibile in due misure, più compatto con top a ovale e basamento singolo, oppure più imponente con piano a doppio ovale sfalsato e basamento doppio. Le proprietà intrinseche del marmo fanno sì che ogni esemplare abbia un aspetto unico nelle aree di luminosità, nelle venature e nelle sfumature cromatiche.

Poltrona Frau rilegge alcune icone del proprio catalogo nel segno del comfort e della funzionalità, proponendo ampliamenti di gamma e restyling. Le sedute **Montera** e **Montera Mas**, ideate da **Roberto Lazzeroni**, si arricchiscono di nuove versioni: lo sgabello con gambe in metallo per **Montera**; e i nuovi sgabelli con gambe in metallo e in legno e la base con colonna per l'ultima versione di **Montera Mas**. La seduta imbottita può essere rivestita in tutta pelle o in tessuto sfoderabile.

La poltrona home-office **Downtown Conference** di **Jean-Marie Massaud** si rinnova con il nuovo basamento a cinque razze con ruote.

Archibald, l'iconica poltrona disegnata da **Jean-Marie Massaud** ed entrata nella memoria collettiva grazie alla riconoscibilità del rivestimento mosso in pelle e dei braccioli piegati, diventa protagonista di un'estensione di gamma con il nuovo modello a **divano a due posti**, un nuovo rivestimento in tessuto sfoderabile e una nuova finitura verniciata titanio per il basamento e le gambe.

La collezione di tavolini **Bob** ideati da **Jean-Marie Massaud** si arricchisce di due nuovi modelli e una nuova finitura: in versione con top quadrato, disponibile in varie misure; con cassetto inte-

grato al piano, ideale come comodino; con il top in Marmo Nero Marquinia.

Il mobile contenitore **Fidelio**, sistema storage capiente e dal segno grafico spiccato con la firma di **Roberto Lazzeroni**, viene presentato in una nuova edizione compatta di 180cm di lunghezza. Restano invariate l'essenzialità formale e finiture sofisticate, per una collezione trasversale e facilmente abbinabile a tutti gli altri arredi Poltrona Frau.

L'offerta di illuminazione di Poltrona Frau si arricchisce grazie alle nuove forme e colorazioni dei paralumi per le collezioni **Holly**, **Fede** e **Dido**, di design di **Jean-Marie Massaud**. Le lampade, che si caratterizzano per l'elegante lavorazione del vetro soffiato, sono oggi ancora più contemporanee grazie ai nuovi paralumi in tessuto nelle eleganti cromie pearl, stone e dark blue/grey. La maestria di Poltrona Frau nel creare ambienti scenografici dal fascino senza tempo si rivela anche nella selezione dei complementi, oggi ampliata da quattro nuove linee di prodotto.

La designer norvegese **Kristine Five Malvaer** dà un'interpretazione pop e contemporanea all'arte della decorazione con la nuova collezione **Ikiperu**, che prende il nome dall'antica divinità etrusca dell'acqua e della fertilità Cupra, archetipo delle forme femminili e dell'abbondanza. La collezione si compone di un **vaso**, una **ciotola** e un **piccolo recipiente con coperchio** in ceramica umbra dall'aspetto grafico pronunciato, con contrasti creati dalle diverse fasce di colore e dalla diversa texture delle aree smaltate e non smaltate. Completa la serie **Ikiperu** una linea di **cuscini** che esalta il rivestimento in Pelle Frau Velvety in doppio colore e riprende nei patchwork geometrici gli stessi raggi di curvatura dei vasi.

La lavorazione artistica della pelle è protagonista anche delle tre nuove linee di oggetti **Fascination**, **Trusty** e **Weavers Home Fragrances**.

Fascination, creata dal **Poltrona Frau Style & Design Centre**, è il set di scatole portagioie e portaorologi rivestite in pelle dall'estetica essenziale e raffinata, disponibile in due dimensioni, quadrata e rettangolare.

Una ricercata selezione di fragranze per ambienti è rivelata nella capsula **Weavers Home Fragrances**, anche questa con la firma di **Simona Cremascoli**. Declinata in forma di candela decorativa e di diffusore per ambienti con bastoncini, la fragranza è racchiusa in un contenitore rivestito in pelle con i raffinati motivi geometrici nelle combinazioni Motif Weavers Sage e Cinnamon.

Infine **Trusty** è la linea di contenitori svuotatasche ideata dal **Poltrona Frau Style & Design Centre** in tre diverse grandezze, impilabili e dalle nuance spiccate, in diverse configurazioni di colore.

Poltrona Frau présente la 2023 Pleasures Collection qui accueille toutes les nouveautés produit sous le signe du plaisir: le plaisir de s'entourer d'objets qui racontent des histoires, transmettent des émotions et élèvent l'expérience du vivre contemporain. Les nouveautés produit et les extensions de gamme, tous caractérisés par un style incomparable qui se veut essentiel et raffiné, participent à forger de nouveaux styles d'habitation où l'expérience humaine devient la protagoniste. Le plaisir d'habiter les espaces, de se les approprier et de les personnaliser au gré de ses envies esthétiques trouve le summum de son expression dans une série de meubles et d'accessoires caractérisés par l'élégance épurée et intemporelle incomparable de Poltrona Frau.

La table-sculpture **Infinitamente** constitue la continuation de l'étude artistique du marbre initiée par **Roberto Lazzeroni** avec la table à succès de l'année dernière « Infinito ∞ ». Proposée en édition limitée, la table **Infinitamente** est entièrement réalisée en marbre (Blanc Levigliani pour le plan, Noir Marquinia pour les piétements), une exaltation de la forme qui se traduit par un travail des blocs de marbre complexe et méticuleux. **Infinitamente** est disponible dans deux tailles, une plus compacte avec le plan ovale et un piétement unique, une plus imposante avec un double plan ovale en porte-à-faux et un double piétement. Les propriétés intrinsèques du marbre font que chaque exemplaire a un aspect unique dans les zones de luminosité, dans les veines et dans les nuances de couleur.

Poltrona Frau réinterprète quelques-unes de ses icônes de son catalogue en les plaçant sous le signe du confort et de la fonctionnalité, le tout décliné dans tout un assortiment de produits et de restyling. Les assises **Montera** et **Montera Mas**, inventées par **Roberto Lazzeroni** s'enrichissent de nouvelles versions : le tabouret aux pieds en métal pour **Montera** et les nouveaux tabourets aux pieds en métal et en bois et avec la base avec colonne pour la toute dernière version de **Montera Mas**. L'assise rembourrée peut être revêtue toute en cuir ou en tissu déhoussable.

Le fauteuil de bureau à la maison **Downtown Conference** de **Jean-Marie Massaud** se pare d'un nouveau piétement à cinq branches et de roulettes.

Archibald, le fauteuil emblématique signé **Jean-Marie Massaud** et entré dans la mémoire collective grâce au revêtement original mouvementé en cuir et à ses accoudoirs pliés, devient le protagoniste d'une extension de gamme avec le nouveau modèle de **canapé à deux places**, un nouveau revêtement en tissu déhoussable et une nouvelle

finition peinte Titanio pour le piétement et les pieds.

La collection de tables basses **Bob** imaginée par **Jean-Marie Massaud** s'enrichit de deux nouveaux modèles et d'une nouvelle finition : avec la version composée d'un plan carré, disponible dans différentes tailles ; avec tiroir incorporé dans le plan, l'idéal pour servir de table de chevet, avec le plan en marbre Noir Marquina.

Le meuble **Fidelio**, un système de rangement d'une grande capacité et au signe graphique remarquable avec la signature de **Roberto Lazzeroni**, est présenté dans une nouvelle édition compacte de 180 cm de longueur. En revanche, le caractère épuré des formes et les finitions sophistiquées demeurent inchangées pour une collection transversale et facile à associer à tous les autres meubles Poltrona Frau.

L'offre d'éclairage de Poltrona Frau s'enrichit grâce aux nouvelles formes et couleurs des abat-jour pour les collections **Holly**, **Fede** et **Dido** de design signés **Jean-Marie Massaud**. Les lampes qui se caractérisent par l'élégant travail du verre soufflé sont aujourd'hui encore plus contemporaines grâce aux nouveaux abat-jour en tissu déclinés dans les couleurs raffinées Pearl, Stone et Dark Blue/Grey. Le savoir-faire magistral de Poltrona Frau à savoir créer des environnements spectaculaires au charme intemporel se révèle aussi dans la sélection d'accessoires, enrichie aujourd'hui de quatre nouvelles lignes de produit.

La designer norvégienne **Kristine Five Malvaer** offre une interprétation pop et contemporaine de l'art de la décoration avec la nouvelle collection **Ikiperu** qui tire son nom de l'antique divinité étrusque de l'eau et de la fertilité Cupra, archétype des formes féminines et de l'abondance. La collection se compose d'un **vase**, d'une **coupelle** et d'un **petit récipient avec couvercle** en céramique d'Ombrie à l'aspect graphique prononcé, rehaussé de contrastes créés par les différentes bandes de couleur et la texture différenciée des zones émaillées et non émaillées. La série **Ikiperu** est accompagnée d'une ligne de **coussins** qui sublime le revêtement en cuir Pelle Frau Velvety en double couleur et reprend, dans les patchworks géométriques, les rayons de courbure identiques à ceux des vases.

Le travail artistique du cuir est protagoniste aussi trois nouvelles lignes d'objets **Fascination**, **Trusty** et **Weavers Home Fragrances**.

Fascination, créé par le **Poltrona Frau Style & Design Centre**, est l'ensemble de coffrets à bijoux et à montres revêtus de cuir au style épuré et raffiné, disponible dans deux formes différentes, carrée ou rectangulaire.

Une sélection attentive de parfums d'ambiance se traduit par la création de la capsule **Weavers Home Fragran-**

ces, elle aussi portant la signature de **Simona Cremascoli**. Décliné en bougie décorative et diffuseur d'ambiance avec bâtonnets, le parfum est contenu dans un récipient revêtu de cuir, rehaussé de motifs géométriques raffinés dans les combinaisons Motif Weavers Sage et Cinnamon.

Enfin, **Trusty** est la ligne de récipients vide-poches créée par le **Poltrona Frau Style & Design Centre**, déclinée dans trois grandeurs différentes, empilables et aux nuances vives à choisir parmi trois couleurs.

Pleasure of writing Pineider x Poltrona Frau

Le cuir **Pelle Frau®** y découvre une nouvelle forme dans l'élégant ensemble d'accessoires pour l'écriture signé en collaboration avec la marque historique de bureautique de luxe Pineider. Poltrona Frau et Pineider invitent à découvrir le plaisir d'écrire en retrouvant ce geste manuel qui permet de transformer une pensée en mots. La collection **Pineider x Poltrona Frau** représente le point d'union de deux réalités démarquées par un riche parcours historique, dont la conjugaison prend vie à travers une ligne de produits qui transmettent l'innovation du projet et l'excellence de la production. La collection consiste en un ensemble d'objets qui rendent l'écriture un moment de détente raffinée : deux carnets avec reliure faits du cuir souple Pelle Frau®, un élégant **porte-blocs**, un **stylo** à bille avec manche en cuir Pelle Frau® finement travaillé par Pineider, le tout existant dans deux coloris.

Poltrona Frau 2023 Pleasures系列以“悦”之名开启全新创意旅程，透过日常生活中的匠心之物讲述动人故事，传递充沛情感，令现代生活体验更加精彩纷呈。此次发布的新品及系列拓展产品均秉持简约、独特而不失精致的设计风格，全心缔造以人为本的生活新风尚。

Poltrona Frau家具和配饰简约典雅、个性出众，可根据个人审美理念量身打造心仪空间，让人乐享愉悦生活。去年，Roberto Lazzeroni设计的“Infinito ∞”桌大获成功，由此开启设计师对大理石的不懈钻研，极具雕塑感的Infinitamente桌便是对此美学研究的延续。限量版Infinitamente桌完全由大理石制成，桌面选用Levigliani白色大理石，底座选用马奎尼亚黑大理石，淋漓展现复而精妙的匠心工艺。Infinitamente有两种尺寸可供选择，小号采用单椭圆形桌面，配备单底座；大号则采用交错双椭圆形桌面，配备双底座。每张桌子的亮度、纹理及色调各不相同，塑就独特外观，将大理石的天然特性展露无遗。

Poltrona Frau对部分经典作品加以重释，追求舒适体验与实用功能，在拓展系列的同时，塑造崭新风格。由Roberto Lazzeroni设计的Montera座椅和Montera Mas座椅再添新作，推出带金属椅腿的Montera吧椅，以及配备金属或木质椅腿或可调节底座的新款Montera Mas吧椅。座面既可搭配皮革套面，亦可选用可拆卸布艺套面。

带滑轮的全新五辐条底座，令Jean-Marie Massaud设计的Downtown Conference居家办公椅焕发新意。

Jean-Marie Massaud设计的经典Archibald扶手椅凭借别具个性的波纹套面及折叠扶手，给大众留下了深刻印象。此次推出新款二人位沙发，配以全新可拆卸布艺套面，底座和支腿均采用全新钛金属喷漆饰面，进一步拓展该系列。

同样出自Jean-Marie Massaud之手的Bob咖啡桌系列推出两款新作和一种全新饰面：一个新款配以方形桌面，有多种尺寸可选；另一新款配有一体式抽屉，适合作为床头柜使用；桌面选用Marquina黑色大理石。

Roberto Lazzeroni设计的Fidelio储物橱柜以充裕容量和鲜明风格著称，此次推出长180厘米的小号新款。新款沿袭原版作品的简约设计与精致饰面，可轻松搭配其他Poltrona Frau家具产品，成就灵活百搭的家具系列。

Poltrona Frau Holly、Faith及Dido灯具系列由Jean-Marie Massaud倾心设计，此次亦推出新款造型及灯罩色调，令系列更臻丰富。灯具采用精湛吹制玻璃工艺，呈现优雅格调，现推出全新布艺灯罩，选用珍珠白、石色以及深蓝/灰色等雅致色调，倍添现代气息。

Poltrona Frau擅长打造融蕴典雅魅力的优美环境，这一出众能力在四个全新配饰系列中也得到充分体现。

挪威设计师Kristine Five Malvaer将流行与现代元素融入全新Ikiperu系列之中。

系列命名源于古老伊特鲁里亚文化中象征水与生育的女神库帕拉（Cupra），她为系列作品的柔美形态与丰富款式提供了丰沛的灵感。此系列包含一款花瓶、一款碗以及一款带盖小瓶，均以翁布里亚陶瓷制成，外观生动醒目。上釉和未上釉部位呈现不同色带与纹理，巧妙玩转视觉与触觉对比。Ikiperu系列还包含多款靠垫，呼应陶瓷作品的几何造型，令Pelle Frau® Velvety双色拼接套面更显精致考究。

精妙皮革工艺亦是全新Fascination、Trusty以及Weavers Home Fragrances系列的焦点所在。

Fascination系列由设计师Poltrona Frau风格设计中心精心打造，推出一系列以皮革包覆的精美珠宝盒与腕表盒，风格简约精致，有方形和矩形两种造型可供选择。

Weavers Home Fragrances精选系列同样由Simona Cremascoli担纲设计，推出装饰蜡烛和配有扩香条的香氛器等一系列精致家用香氛作品，盛放香氛作品的容器包覆精美皮革，并饰以鼠尾草绿配肉桂色Motif Weavers几何图案。

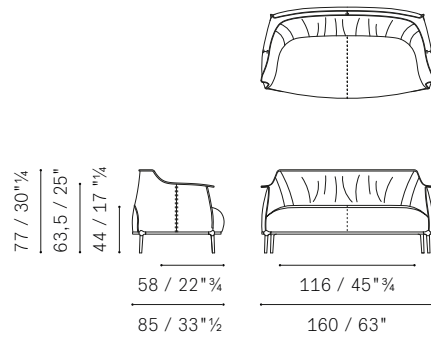

Trusty小物容器系列由Poltrona Frau风格设计中心精心打造，推出三种不同尺寸，可堆叠使用，细节精妙别致，配色缤纷多样。

Pleasures of Writing书写之悦 Pineider x Poltrona Frau与此同时，品牌携手历史悠久的高端文具品牌Pineider，以Pelle Frau®皮革焕然呈现书写配件。

Poltrona Frau和Pineider诚邀您探索书写之愉悦，弘扬于纸端酣畅挥洒的书写传统。Pineider x Poltrona Frau联名系列融合两大品牌优势，在彰显品牌深厚底蕴的同时，将创新设计与卓越工艺融入双方合作打造的匠心之物中。该系列旨在营造精致轻松的书写体验，包括两款以柔软Pelle Frau®皮革为封面的笔记本、一款优雅的记事本保护套以及一款中性笔，笔杆由Pineider以Pelle Frau®皮革精制而成，三款精品文具均推出两种颜色可选。
